**RE: Barnegat Township Plan Endorsement**

Dear Director Spinelli:

As the Township of Barnegat continues to work towards plan endorsement, the Township planner and Office of Smart Growth staff discovered the current deadline of December 20, 2007 for items D2, Transportation Infrastructure, Capacity, and item H1, Coastal Consistency Statement are incompatible with the overall tasking.

Item H1, the Coastal Consistency Statement will require new and/or revised ordinances, and Item D2, the Transportation Plan will be incorporated into the Land Use Plan Element of the Master Plan. The Township respectfully requests the deadline for item D2 be revised to 6/20/08, consistent with the delivery of the land use/zoning regulation deadline, and the deadline for item H1 be revised to 12/20/08 consistent with the delivery of the Land Use Plan Element of the Master Plan.

Thank you for your consideration of this request.

Very truly yours,

TOWNSHIP OF BARNEGAT
